Under 9 Red Coach's Report

A great season for the under9 Reds, starting off the season with a group of kids who didn't know each other and seeing them become a team and close friends was a real highlight. The boys all developed as footballers during the year. Another highlight was every game day a different player seemed to stand up and play a terrific game, not just the same players every week. Overall it was a great test and was very enjoyable on a personal level.

Under 9 White Coach's Report

What a great year it has been. As a team we went from running around in circles to actually understanding the game. We are extremely proud of every ones efforts this year...every single one of our team has played key roles at different times throughout the year, and we hope that you all continue to play footy and most of all remember to have FUN.....

Cheers

Beaudie & Rory

Under 9 Blue Coach's Report

The Under 9 Blue team showed further development from last season, in many areas such as skill, teamwork, understanding the game, also becoming a team and of course just having a fun time. For the year I focused on game sense and skill and also by ensuring the team enjoyed the experience. With training, I always mixed it up with specific skill sessions such as kicking, hand ball and marking drills, then applied these in a game or competitive drill to simulate a game. This allowed the team to practice the skill in a match environment and also promote team work. I made sure that the players were always mixed up so to create a team rather than clicks that can happen. I made sure that the training was fun and varied, with gaps between repeating sessions.

For game day, the focus was on creating a competitive team, but playing in the right spirit to respect the other team, officials and umpires. As there was no official scoring, we focused on good play and sharing the ball around to bring everyone into the game. I had 18 players for most of my games that made rotations and participation straight forward. I kept a roster of where everyone played and how many quarters to ensure they all played around the same game time and position irrespective of the game situation. This worked really well, with parent support keeping track of the stats and also understanding what we were trying to do. During the game, the most pleasing was the way the team was able to change game style, and listen to instruction which was excellent for a 9 year old. This added to their enjoyment because I made sure they knew they accomplished something that added to their confidence as well.

The team were a real team and in some games there was a lot of on field chatter setting up plays, in particular where the ruck and the rover combined well after on field set up by the players. Finally a real pleasure to coach and be involved with the team and thankful of the opportunity to coach and in a small way help their development as people.

Appreciate West Preston Junior Football Club allowing me the opportunity.

Kind Regards,

Angelo Sirianni

Under 12 Red Coach's Report

While finishing on the top of the ladder last season, we were hopeful for a successful 2015 season. After grading was complete, we were graded into "RED" division. Not ideal, but we moved on. With some hefty losses through the season, the boys were still coming to training, coming to match day with the same excitement and enthusiasm that all 10 and 11 year old boys have.

With not much to cheer about at the half way mark, we needed a little bit of motivation. We adopted the Reward for Effort approach. The boys were putting in the effort at training and on match day and the improvement in the second half of the season was a credit to all.

After 13 rounds we hadn't won a game. Bring on round 14 with Mums, Dads, Brother, Sisters and whoever wanted to train with us on our usual Wednesday night training session. What an atmosphere with all the boys taking on Mum and Dads who were trying to give their own son a couple of cheap ones. Ten Pin Bowling was organised for Friday night and the boys were ready for Sunday's game.

After 14 rounds 1 win and 13 losses, what a difference a week makes in football. What a wonderful way to finish the season and that one win will be remembered more than the 13 loses throughout the season.

REWARD FOR EFFORT

Well Done Boys

Under 13 Red Coach's Report

After a solid 2014 season where we just fell short of winning the premiership, the boys felt they could go one better this season. 2015 season saw us on top of ladder up until the last few rounds. The tougher division took its toll and we fell away to finally miss out playing in the finals. I am sure that we as a group developed significantly and that will hold the boys in good stead going forward.

I would like to take the opportunity to thank all the volunteers throughout the course of the year.

Thanks

Pino.

Under 13 Blue Coach's Report

This team dominated the competition in red division last year, but this year was a challenge to further their development playing in the stronger blue division. They were highly competitive making a preliminary final. As they go on next year they will have a better understanding of what's required playing in blue division. I want to thank all the helpers who supported me. I've coached this team for 3 years.. it's now time they have a new coach with a different voice; my wish is they continue to play together and I hope they have a great and healthy life.

Regards Frank.

Under 14 Red Coach's Report

Our season got off to flying start with a win over the Preston Bullants in the Hocking Stewart Cup and this instilled a belief that we would be a serious contender in Red this year. Having six boys return from Rep training in great condition really added fire power to our engine room. The Grading period proved fruitful and we were all set for a BIG year.

We rolled along playing a good brand of football and by the half way point we would find ourselves on top of the ladder putting all other sides on notice. It was at this point that a little complacency set in and several players decided to take their foot off the accelerator and skip training. For a month straight we would only have 12 out of 24 players at training on Tuesdays and Fridays. Form dropped away and injuries to key players set in and all of a sudden we looked slow and could only find two or three goal kickers compared to the regular nine individual goal kickers in the first half of the year.

We recaptured some form playing away in Round 12 to the eventual premiers, Mernda, in a game that represented everything we wanted from our boys. Support, care, solidarity and eyes only for the ball in wet and muddy conditions. To beat the eventual premiers three times in a season is little consolation and to lose to the minor premiers by a point in the semi-final really sapped the boys of any further run in the preliminary final.

All in all the boys demonstrated considerable growth this season and more often than not executed game plans when the opportunities presented themselves. Offensive running and structures around stoppages have really come on this year. Thinking with the ball in hand and defensive running remain the two key aspects to work on in 2016. Go Roosters!

U15 Red Coach's Report

We started training in November 2014, and the initial numbers were fairly good for pre-season. Once cricket ended numbers sky rocketed, in fact, we were not far off having 2 teams. With hindsight we should have fought to keep players that left thinking there would be lack of game time. (10 or 11 players left for this reason.) Once March arrived things got exciting!

At the start of the season the boys had four goals for themselves:

1. To finish on top of ladder at end of season
2. To make finals
3. To make the grand final
4. To win the grand final

All 4 goals were achieved

5 players were asked to try out for NFL rep team, and 3 were successful. 5 players were asked to try out for Northern Knights, but surprisingly none were successful. Jaylon Williamson won the competition B&F for NFL, while 3 of our players were in the top 10. We also had our fair share of colourful issues during the season, it wasn't all roses.

The season ended on a heart stopping note when we won the Grand final by 1 point with seconds to go! An eye opening 1st coaching season for me, I hope everyone got something out of it.

Under 15 Girls Coach's Report

As soon as the 2014 footy season finished the girls were continually asking, "When will preseason start" so I knew that 2015 would be a good year full of commitment and determination, and I certainly was not mistaken.

Pre season got off to a roaring start and with some pretty impressive 3km time trial times, I could tell the girls had been working hard over the summer.

Round one came along and we had started the season off exactly how we had planned, and from then on we held either second or third position on the ladder until the end of the season.

Every single girl improved at least one aspect of their game this year and that alone made it a very successful year for our u15 girls.

Cannot wait to see what all the girls have in store for next season.

GO WEST! Abbie

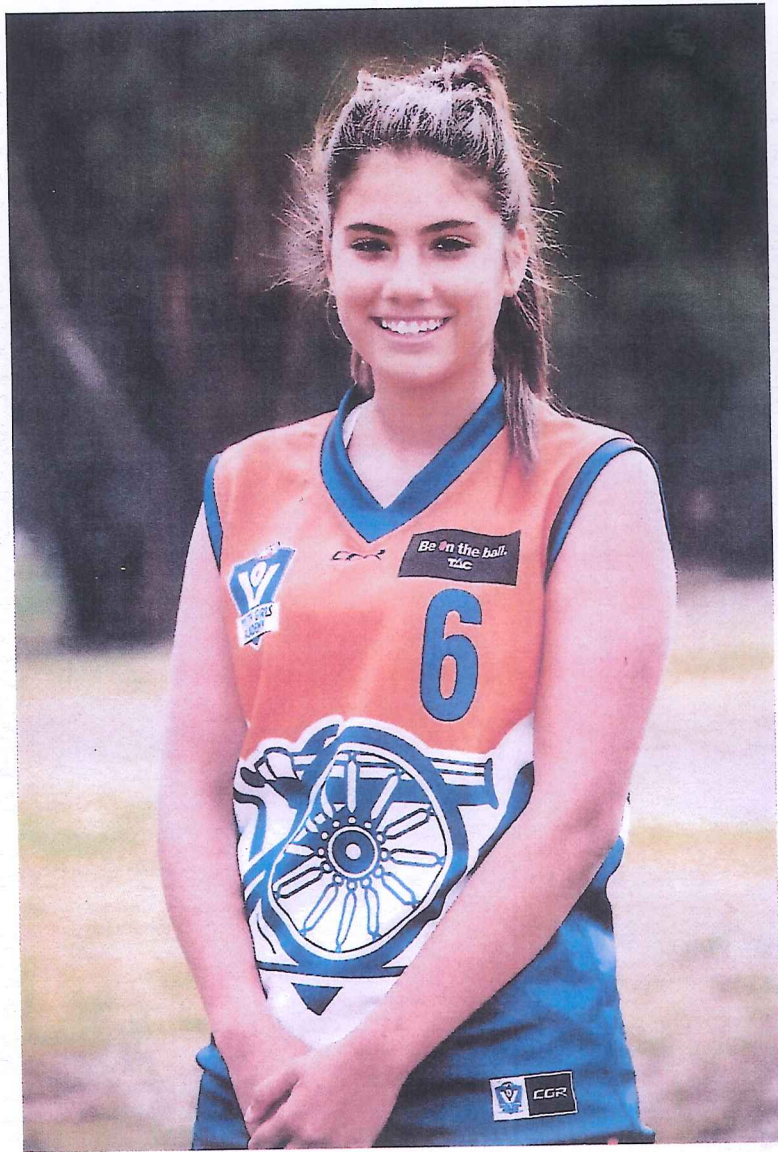

Our Golden Girl... Bridgette Hallal

What an absolutely wonderful year Bridgette has had. Here is a brief summary of her achievements:-

- Club U 15 Girls Best and Fairest, as well as Best Finals player
- NFL U 15 Girls competition Best and Fairest
- Made NFL Girls U 16 team
- Made Calder Canons (for the second year running)

The club is very proud of Bridgette, and how well she conducts herself. We wish "our shining light" continuing good fortune.

2016 NFL under-14 Representative Training Squad

Congratulations to our WPLFC players who have made the training squad for the Under 14s NFL Rep side for 2016.

Bailey Spriggs, Giacomo Thomas, Metuone Tuo, Zac Moris, Jai Murtagh and Lukas Moris.

Well done on your hard work thus far and Good Luck with both your summer training and hopefully making the Final teams.
